

Michael Carrington's evolved from a management company set up over 30 years ago, and we continue to provide those services to honour the past and build for the future.

Carrington's is independently based in central London and provides each client with a unique, bespoke boutique experience.

We put the clients at the heart of everything we do, seeking to add value and enhance the buildings we manage.

We manage some of the most exclusive properties in Central and South West London and fully understand the needs of this market.

We predominantly cover Central and South West London

We currently manage over 600 units

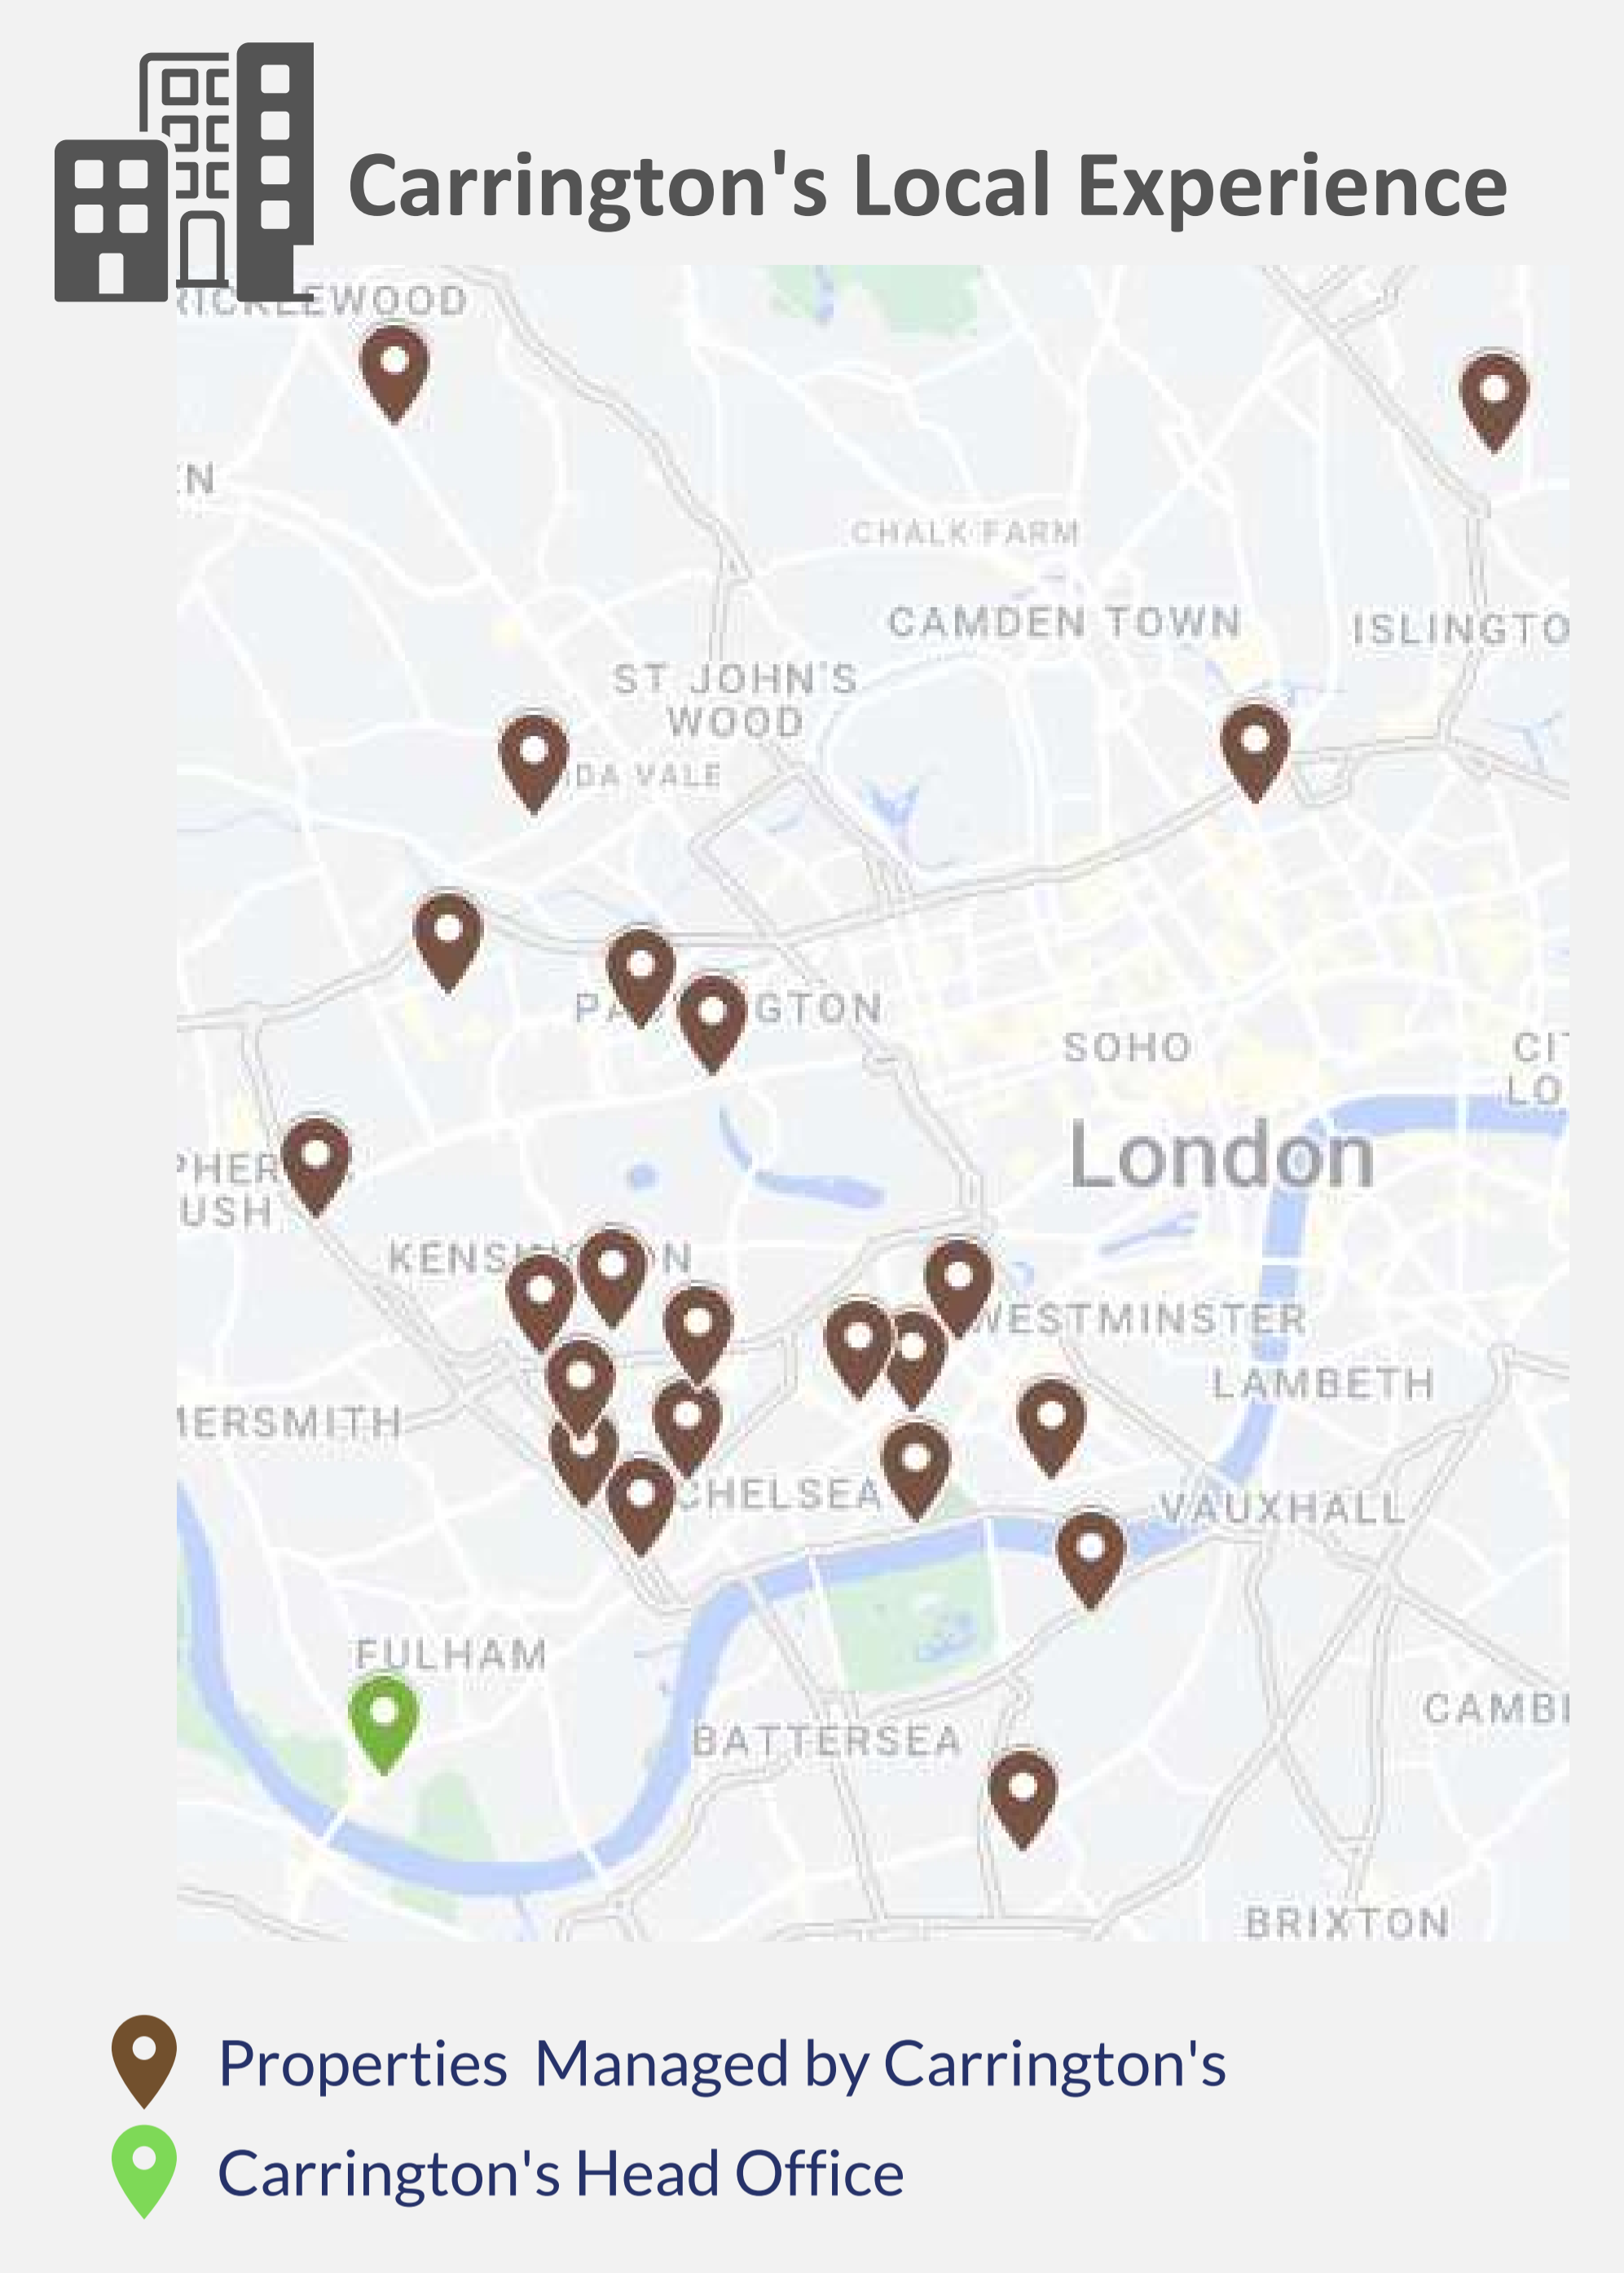

We have 11 in-house departments to provide you with a full management package

Why Choose Carrington's?

- We're in this for the long run - we aim to build long-term relationships with our Clients.
